Dear Friends, Supporters, and Sponsors:

We extend our deepest gratitude to the extraordinary community that has propelled the Henry McCann Memorial Colorectal Cancer Foundation into its second year with unprecedented momentum. Your unwavering generosity has enabled us to expand our impact across every pillar of our mission—sponsoring research through funding a BioBank Coordinator position at The James Cancer Hospital, broadening vital Education and Awareness initiatives, and supporting patients through our Beneficence Grant Program. Together, we are not only honoring Henry's legacy but transforming the fight against early onset colorectal cancer. Thank you for believing in our vision and making hope tangible.

Our second annual Face-Off Against Colon Cancer event in March 2025 was an incredible success! It was topped off by a fantastic Bourbon and Blue Gala in June 2025 with many other milestones accompanying these two major events. We hope you will take a few moments to review our annual report and see the impact that your generosity has made.

We are also deeply grateful to our sponsors and corporate partners, whose generous contributions make our work possible, including:

- NetJets
- Kurtz Brothers
- Agnone, Morrison and Associates Eye MDs
- The James Cancer Hospital
- Bristol Myers Squibb
- Martinez Family
- Zangmeister
- The Redmen
- Jackie O's on Fourth
- Future Systems, Inc.
- Renee Page

Of course, these achievements would not have been possible without the steadfast dedication and tireless efforts of our committee and board members. Their unwavering passion and commitment continue to propel the Henry McCann Memorial Colorectal Cancer Foundation forward, amplifying our impact across Research, Education and Awareness, Patient Support, and Prevention each and every day!

Your loyal support fuels our mission and brings us closer to a world free from colorectal cancer. Thank you for standing shoulder-to-shoulder with us. With your continued commitment, we will achieve even greater milestones in the year ahead—advancing Research, Education and Awareness, Patient Support, and Prevention—all Because Of Henry.

With heartfelt gratitude,

Katie McCann
President

Jeanne McGuire
Chair

In the Fall of 2023 the Henry McCann Memorial Colorectal Cancer Foundation was established as a 501(c)(3) public charity with the IRS.
